REMARKS/ARGUMENTS

Following entry of the Amendment and Response to this application dated June 14, 2005, claims 7-14, remained pending in the application while claims 15-30 and 23-27 were withdrawn pending rejoinder under In re Ochiai. Claims 33-37 were newly added. Claims 1-6, 21-22 and 28-32 were canceled.

Examiner Telephone Discussion

Applicant's Attorney Fairman had a telephonic conversation with Examiner Moore on Friday, September 23 proposing an Examiner's amendment to the claims and requesting clarification of web sites recited in the specification. Applicant's attorney received the proposed amendment and following conversation with client and a further telephonic conversation with the Examiner on September 26, the Examiner's amendment relating to the pending claims, above, was received. Applicant acknowledges and appreciates the Examiners assistance in reciting the allowable subject matter.

Specification Objections

The Office has objected to the inclusion of computer executable code and undated reference to web sites in the specification. Amendments to the specification are made herein and such computer executable code has been removed. A web archive search using the "waybackmachine" (<http://www.waybackmachine.org/>) has been performed to show that the cited information in the databases predates filing of the priority document. No new matter has been added by way of these amendments.

Examiner's Amendment

Following entry of the Examiner's proposed amendment of September 26, 2005, claims 8, 10, 15 and 37 are canceled and claims 7, 9, 11-14, 16-20, 23-27 and 33-36 remain pending in the application. The examiner's amendment is acknowledged and appreciated.

CONCLUSION

In light of the amendments to the specification and the Examiner's amendments faxed to Applicant's attorney on September 26, 2005, Applicants respectfully request a timely Notice of Allowance to follow in this case.

Respectfully submitted,
